Both mounting options accessories are provided

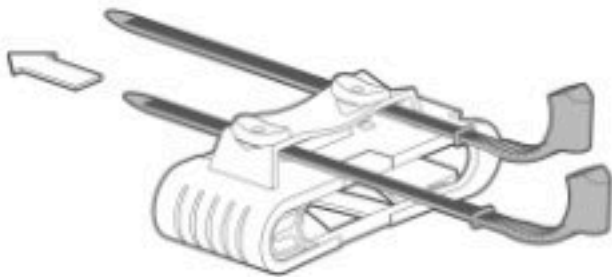

There is no need for drilling the plastic for conventional security, we use the lightest and most robust material available and provide the mounting hardware. We are constantly looking for ways to improve the product for better and more durable. We have been working on a high level of security. We know you have FOLDYLOCK as much as we do. We have to have what you have. We have to have what you have. We have to have what you have. We have to have what you have.
